

# WRITTEN REPORT OF THE CONTRACTING AUTHORITY

In accordance with the *Public Contracts Act no. 137/2006, Coll., section 85, as amended*

(Hereinafter referred to as “the Act”)

## I. Identification data of the Contracting Authority

Contracting Authority	University of West Bohemia in Pilsen
Address	Univerzitní 8, Plzeň, postal code 306 14, Czech Republic
Identification no.	49777513
Name and surname of the representative authorized to act on behalf of the Contracting Authority	doc. PaedDr. Ilona Mauritzová, Ph.D., Rector
Public Contract title	Delivery of System for Active Monitoring of Composite Structures in Real Time for the NTIS Project
Public contract registration no.	351171

## II. Subject of the Public Contract, price negotiated in the Contract:

On 16<sup>th</sup> May 2013, the Contracting Authority mailed to the addressed Bidder an Invitation to Participate in the Negotiated Procedure without Publication in order to open the Public Tender for the Public Contract entitled “**Delivery of System for Active Monitoring of Composite Structures in Real Time for the NTIS Project**”, Public Contract registration number 351171 (“**the Contract**”) in accordance with the Public Contracts Act, section 26, subsection 1(a). The Public Contract is a limit-exceeding public contract pursuant to the section 8 of the Public Contracts Act; the subject of the Contract is a delivery of a system for active monitoring of composite structures in real time.

The price stipulated in the Contract is **USD 58,000** (in words: fifty-eight-thousand US dollars).

## III. Selected type of the public tender

Considering that for technical reasons the Public Contract may only be delivered by one particular supplier, the Contracting Authority assigned this Public Contract in accordance with the public Contracts Act, section 23, subsection 4(a) in the negotiated procedure without publication as specified in section 34 of the Act.

## IV. Reason for application of the negotiated procedure without publication

With regard to the technical properties of the solution, the Public Contract may only be delivered by one supplier – Acellent Technologies Inc., as this is the only supplier worldwide able to deliver this Public Contract and supply the subject of the Contract. Exceptionality of the technical solution consists in particular in the fact that Acellent Technologies Inc. is the only manufacturer whose system contains all hardware and software necessary for the accomplishment of the objectives of the NTIS project.

**V. Identification data of the selected bidder, bid price and justification of the bid selection**

The addressed Bidder, **Acellent Technologies Inc., 835 Stewart Drive, Sunnyvale, CA 94085 USA**, submitted their Bid to the said Public Tender by the deadline for submission of the Bids. The bid price was USD 58,000.

The Bid was selected, as the Bidder had complied with the qualification criteria specified in the Public Tender and the Bid complied with the requirements defined by the law as well as the criteria set by the Contracting Authority in the tender documents, and the Bid does not represent an unacceptable bid as defined by the Public Contracts Act, section 22, subsection 1(d) and the Bid is not an exceptionally low bid pursuant to the Public Contracts Act, section 77.

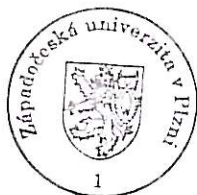

**VI. Identification data of bidders disqualified from participation in the tender and explanation of their disqualification:**

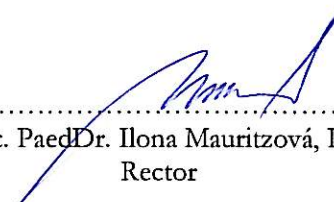

There was **no bid disqualified from this Public Tender and no bidder was disqualified from the participation in the Tender**. No other bidders took part in the Tender due to the selected type of the tender.

**VII. Specification of subcontracted parts of the Public Contract:**

In the Bid submitted pursuant to the Contracting Authority's requirements specified in article 5.5 of the Tender Documents and the Public Contract Act, section 44, subsection 6, the Bidder did not identify any part of the Public Contract that would be delivered by a subcontractor.
